sale & service

Powercoil Fixing : *With our customer's interest and requirements of powercoil fixing, we carry engineering and application support, on-site consultation service anywhere anytime. Pee Vee Enterprises will continue to be one of the leading service provider at customer's site . If you'd like let us know how we're doing any time. We welcome your feedback, it's what has helped us grow and improve for over 30 year's.*

Fastening Technology: *We places stringent demands on it's products. Practically all of the technical information can be found in our extensive catalogue and detailed products documentation.*

Our technical specialists are at your service to help you choose exactly the right fastener. If you wish they can inform you about the technical specifications as early as the design phase. They can also advise you about possible alternatives. They are happy to help you create a better product and reduce your cost.

Delivery : *The service we are able to offer can be tailored to suit your requirements.*

From sophisticated kan-ban, just in time, ship to stock and consignment stock to a simple scheduled order, we have the ability to offer the service you require.

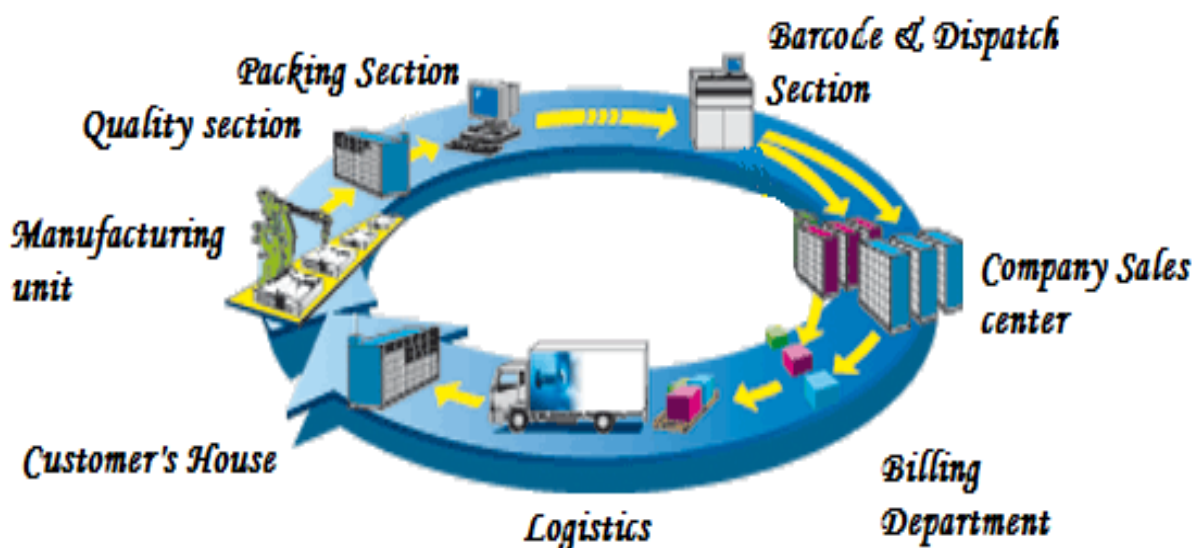

- 1. Our delivery service to our client in- stock fasteners ordered by 3P.M. on same day, whether it is made by our own transport, by courier, air or rail, we ensure we are available at all times to oversee the delivery.*
- 2. Call you back when promised.*
- 3. Supply defect free fasteners.*
- 4. Meet the promised delivery date of fasteners not in stock.*
- 5. Satisfy you 100%.*

Customer Satisfaction: *Your satisfaction is our first priority. We want Pee Vee Enterprise to be your first source for all your fasteners needs, and we will do our best to earn your satisfaction with every transaction. The best products and prices, with timely shipping and outstanding Customer Service is our goal to keeping you as a satisfied and loyal customer.*

annexure 7 sale & service

Packing: We are also able to offer a kitting service - thereby packing goods to your exact specification, labeling with your part or code numbers or bar code and even dispatching direct to your customer. This is available at a very low extra charge - please enquire for details. If you are considering single sourcing your fastener and related requirements why not let us quote for the whole package? If so, Pee Vee can save you considerable time and money. No one likes receiving in large fastener orders. Master containers arrive filled with many smaller boxes that have to be emptied and matched to packing slips, it's tedious, especially when equipment is down or waiting to be shipped and finding one small box among many is critical.

Quality Control: Being an ISO certified company all quality checks are followed with the of calibrated instruments. We offer complete Chemical, Physical and Letters of Compliance certification upon request. Our in-house Quality Control department, is an integral part of the way we provide the service you expect.
